<p>Why we study it:</p> <p>There are times when students with SEND may not make progress at the same pace as their peers. Learning support wave 3 intervention lessons allow teachers to address gaps in a child's knowledge and barriers to their progress. When a need has been identified, literacy support will help overcome these barriers to their learning.</p> <p>Cognition and Learning</p> <p>Cognition is the umbrella term for a child's learning skills. It is their ability to process information, reason, remember and relate.</p> <p>Communication and Interaction</p> <p>Communication and Interaction is the ability to communicate with others. This includes the use of speech sounds, language, gestures, facial expressions and body language.</p>
