"Becoming a teacher at Worthing High School has been a great opportunity. From my first day as a trainee to now as a qualified teacher, I have always felt valued and supported. The staff are approachable, experienced, and genuinely invested in helping each other, which has been vital to my development. The school offers some great opportunities for professional growth and personal development.

Last year I was asked to join the MFL trip to Paris. This was an amazing experience, and it was great to see the students picking up skills away from the classroom. This year I have also started to run a Volleyball club. This is a great way to build great relationships with students and give them more opportunities to learn new skills outside the classroom."
