How to Quiz at Home

Accelerated Reader – The link to quiz is here:

<https://ukhosted5.renlearn.co.uk/2249035/>.

You should have your username and password in your planners. You can then still keep up your 20 minutes, or more, reading time a day and progress with your reading targets. Don't forget to try the Vocabulary Practice and Literacy Skills quizzes.

Email me if you have problems logging into your accounts aphelan@worthinghigh.net

Accessing the Library System

The library system can be accessed from home by following this link:

<https://uk.accessit.online/wrt01/#!landingPage>

You can login generally as a student or put in your own password to get to your account. Here you will see the loans you have and also be able to search the library system for some inspiration. You can also write reviews on books, this would be fantastic if you could do this and recommend books to others. Just select the book you want to review by searching for it. All the reading challenges are under 'Quick Lists' and you can also search for books by Accelerated Reader Levels by going into 'Visual Search'.
