# Mrs Langley's Book of the Month

***The Grishaverse has come to Netflix with Shadow and Bone, an original series! Enter the Grishaverse with book one of the Shadow and Bone Trilogy by number one New York Times-bestselling author, Leigh Bardugo.***

Soldier. Summoner. Saint. Orphaned and expendable, Alina Starkov is a soldier who knows she may not survive her first trek across the Shadow Fold - a swath of unnatural darkness crawling with monsters.

But when her regiment is attacked, Alina unleashes dormant magic not even she knew she possessed.

Now Alina will enter a lavish world of royalty and intrigue as she trains with the Grisha, her country's magical military elite - and falls under the spell of their notorious leader, the Darkling.

He believes Alina can summon a force capable of destroying the Shadow Fold and reuniting their war-ravaged country, but only if she can master her untamed gift. As the threat to the kingdom mounts and Alina unlocks the secrets of her past, she will make a dangerous discovery that could threaten all she loves and the very future of a nation. Welcome to Ravka . . . a world of science and superstition where nothing is what it seems.

Fight or flight . . . or both? Three months after Aderyn's coronation the court is celebrating the Solstice, but Aderyn is preoccupied by Lucien's continuing hostility.

The celebrations are interrupted by the arrival of nobles who have escaped from the neighbouring country of Celonia - the flightless have risen up and overthrown their rulers. The world is changing. As people begin to question whether Aderyn and Aron are strong enough to rule, there is an attempted assassination on Aderyn's life.

Siegfried and Tallis have made their move - they have formed an army, declared war and will take the throne, by any means necessary.

Aderyn must fly to uncharted territories and risk the lives of everyone she loves, to defeat her enemies, secure her throne and unite her people. Epic, dangerous and impossible to put down, this finale takes you on a soaring journey through grief, strength and determination to fight for what is right, what you love and what is yours.

From the Playground to the Pitch, meet Son Heung-min - Ultimate Football Hero Son Heung-min, the South Korean superstar, is now one of the best attacking talents in the world.

And it soon turns out Italy is full of dangers and things that can go wrong. One thing's for certain, Stan's not going to come back the same boy he left. He just hope he comes back at all . . . Worst. Holiday. Ever is a story about facing fears, dealing with worries, and how it's OK to be anxious, scared, and sometimes a little bit brave.
