

CLAPHAM AND PATCHING CofE PRIMARY SCHOOL

Reception to Year 6

OPEN MORNING TOURS

Clapham and Patching CofE Primary is a small school with big aspirations for all members of its community.

Set in the South Downs and with the capacity for 57 children, our small school's caring nature was identified by Ofsted as a real strength.

We have high expectations for all our children and love to learn both inside and outside our beautiful school.

What Ofsted said about our school

"Parents and carers are full of praise for everything that is being done to help their children to flourish." Ofsted - November 2019

Saturday 20 NOVEMBER 2021 9.00am to 1.00pm

Clapham and Patching CofE Primary School
is part of the South Downs Education Trust.
