Mrs Langley's Book of the Month

Maximum Ride lost her fight to save the world. But from the ashes of the old world, a phoenix has risen... she calls herself Hawk.

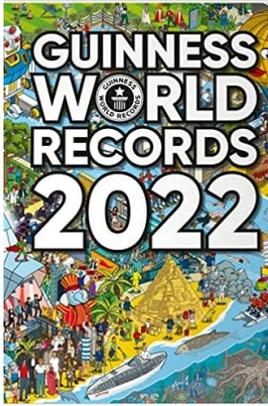

Hawk doesn't know her real name. She doesn't know who her parents were, or where they went. The only thing she remembers is that they told to wait on a street corner until they came back for her.

That was ten years ago.

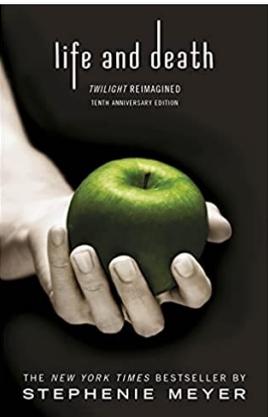

The day that she finally gives up waiting is the moment her life changes for ever. Because the promise becomes reality: someone is coming for her.

But it's not a rescue. It's an execution.

New Additions

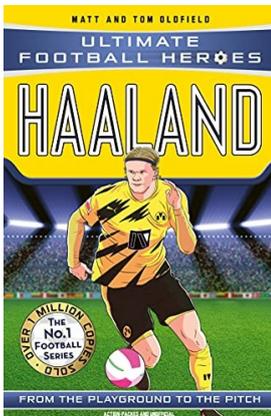

Some of the record-packed features in this year's edition include: 'Environmental champions,' the eco-warriors fighting to make our planet a better place. 'The tallest and shortest...' measuring a host of the world's loftiest and diminutive humans. 'Pop Culture icons,' we reveal the world's most successful movie franchises, videogames, toys and brands. 'Young Achievers,' meet the under 16-year-old influencers, entrepreneurs and entertainers who are taking positive steps to change the world. Additionally, look out for bonus features including more inductees into the Guinness World Records Hall of Fame, such as Sir David Attenborough, and K-Pop sensations BTS; and "Virtual Visits" that take you on a journey to some of the most fascinating and record-packed visitor attractions, museums, and parks!

There are two sides to every story.... You know Bella and Edward, now get to know Beau and Edythe. Norwegian international Erling Haaland is the rising star of Europe. Having already smashed Messi, Ronaldo and Harry Kane's record of quickest player to twenty Champions League goals, 'The Terminator' is proving to be a ruthless, efficient, goalscoring machine. At such a young age, the world is his playground. Discover how he's caught the eye of the footballing world and whether he'll pip Mbappe to a Ballon d'Or!
