Dear Parent or Carer

RE: Worthing High School Support Fund Voluntary Contribution

We have set up a School Support Fund to enable parents and carers to make voluntary contributions to the school to benefit our students. With school budgets under huge and unprecedented pressure, the Fund will help us to ensure that these constraints do not affect our ability to continue to provide the curriculum which shapes your child's experience at Worthing High School.

We are asking for contributions to help cover some costs for example DT resources, contributions towards food classes, sports fixture transport and printing costs for materials used in class. This will mean you will not receive a separate contribution letter for DT resources and Food resources in addition to this as this fund now replaces those annual voluntary contributions.

If you wish to make a voluntary contribution to the Worthing High School Support Fund please either pay a voluntary contribution per month by standing order to the below details or through Wisepay with the suggested donation amount.

Standing order information

Account name: SDET T/a Worthing High School

Account number: 54788960

Sort code: 30-99-93

Payment reference: WHSSF - *Child's full name*

We are suggesting £60 annually but if you wish to contribute a different amount then please email financeoffice@worthinghigh.net with the details of the amount you would like to contribute.

Once again thank you for your help and support.

Yours faithfully
