

## College Open & Taster Events – Spring Term 2024

A number of local Post 16 providers will be holding events for current Year 10 & 11 students during the Spring Term and for those that we have been informed of, we have detailed below for our students.

Taster Events are normally attended by just the student and provide a taster of a subject(s) they may be interested in studying whereas Open events are usually a chance for Students, parents/carers to take a look around the whole college.

This list will be continually updated when we are informed of events by the colleges

### **Brighton MET College**

Offering Vocational and T Level courses.

**Tuesday 12 March 2024**
