

College Open & Taster Events – Autumn Term 2025

During the Autumn term, there is normally an increased number of Open events held for Year 11 students as they begin the process of selecting their Post 16 options. Year 10 students are usually more than welcome to attend these as well.

We will update these details as we receive notifications from the institutions, however, we recommend that parents/carers and students also visit the individual websites of any institutions they are considering to ensure they have the most up-to-date information and event booking details.

Taster Events are normally attended by just the student and provide a taster of a subject(s) they may be interested in studying whereas Open events are usually a chance for Students, parents/carers to take a look around the whole setting.

Parents & Carers are reminded that all requests for absence to attend any of these events during school time should please be submitted to office@worthinghigh.net
