If you are interested and would like to book your place, please contact
Amanda Allibone : aallibone@worthinghigh.net
Students are expected to attend all 3 days.

Our annual Worthing High Summer School is a fantastic opportunity for new year 7 students to find their way around the school, make new friends and develop key team building and problem solving skills, all whilst having a great time.

At the Summer School this year, children will take part in: cooking, treasure hunts around the school, team building, problem solving, shelter building, first aid, drama, art, many more activities plus participate in discussion sessions to help calm any fears about moving to secondary school.

The Summer School is run by Worthing High School staff supported by a group of Year 10 students who are completing a leadership course. The older students will be group leaders and will run some of the sessions. This enables the younger students to get to know some older students before starting school.

Care places are limited. The cost is £75 for 3 days. Students are required to attend all 3 days.

If your child is interested in coming to our Summer School

please email aallibone@worthinghigh.net or phone **01903 237864**.
