The map below shows the distance to the last place offered to a child living in the Borough of Worthing for Year 7 entry in 2026/2027 — 2,259.02 metres on National Allocation Day, 2 March 2026. The catchment radius for places offered continues to extend further from Worthing High School and, with fewer children living in the borough, and a decline in the birthrate nationally, there is a strong likelihood that this area will expand even further in the future.

In addition to our Open Day we are also hosting **Open Morning Tours at 9am on 29 & 30 September and 1 & 2 October 2026** which we warmly invite you to attend. This is a great opportunity to meet our students and staff, tour our facilities, and learn more about the wide range of opportunities available for your child. To attend please book online by visiting Worthing High School's website.
