

23rd March 2020

Dear Yr9 & Yr10 Parents and Carers,

I am writing to inform you that as of tomorrow we will no longer be able to offer an educational provision for Year 9 and Year 10 students.

This decision has been made for a number of reasons, but fundamentally, due to the number of staff who are self-isolating and the number of students we can accommodate in school.

All parents/carers of students who have been in today, have been contacted and I wanted to say a huge thank you for their support with this difficult decision.

Year 7 and Year 8 student provision will continue, as previously outlined for vulnerable students and students with parents who are keyworkers and again I wanted to thank all of our school community for their continued support and positivity to all of my staff at Worthing High School during these unprecedented times.

School will be open for Year 7 and Year 8 vulnerable students and students with parents who are keyworkers, that have already confirmed their attendance, this week and next, unless the DFE or Government issue new directives for all schools to adhere to. As the situation changes I will update parents accordingly.

As communicated in previous letters, all the resources are now available online and all students should be accessing Show My Homework and SAM Learning etc. and reading for at least 1 hour a day.

Please do not hesitate to contact us if you require any further clarification. You can do so by using the following email address: Covid19@worthinghigh.net

Kind regards,
