

Worthing High School
Summer Photography Competition
Theme 'Self-Reflection'.

I just wanted to say a massive thank you to everyone who has taken part in this years summer photography competition.
It has been such a pleasure to see and read about the ways in which students, parents, carers and staff at Worthing High have considered and interpreted the theme of 'self-reflection'.
Here is a slideshow of the fantastic entries, along with the winners of each category.
Congratulations to everyone involved.

Ms Hunt .
